

Simon Meer With His Family In Israel

This photo I took, 1969, when I was in Israel.

I am the fourth from the left, to my right is my aunt Ruhla Butnaru, behind her is my brother Moses Meer.

The second from the right is Hermina Meer, Moses wife and right from her her cousin Sophie Peretz, the daughter of my mother's brother, Elias Abramovici.

The second on the left is my younger brother Hanina Meer and on his right his wife Rachel Meer.
