

Raissa Makarevich's Younger Sister Rosa Markman

This is my younger sister, Rosa Markman née Makarevich. This picture was taken in Kiev in 1947 after she returned from evacuation.

My younger sister Rosa was born in Kiev in 1925. During the war she was in evacuation with me. After the war she married Leonid Markman. My sister was always very sick and couldn't work. In

the late 1970s she, her husband, and her son Vladimir moved to the USA. She lives there now, in Cleveland.
