

Kati Andai's Father Lajos Erdos On A Class Reunion With His Secondary School Classmates

15th class reunion of my father's secondary school class. Father is the third from the right in the last row. Father went to the gymnasium on Tavaszméző street and Kalman Mikszáth junior was his classmate [Mikszáth's father was one of the greatest 19th century Hungarian novelists]. Father was very good at Latin and Greek but he was absolutely unable to learn any other language, his German pronunciation was bad too -- despite the fact that he came from a family which lived in Western Hungary and everybody in the family knew German.
