

Matilda Kalef With Relatives And Acquaintances

Here is my grandmother, Matilda Kalef (the one with the X over her head), with her sister Lenka Koen (nee Kalef) (second to the right of Matilda) and Rahela Elica Koen. The white sign on the right says: ?NICEST HOME-MADE HONEY HERE IN FRONT OF DOOR? The center frame has various pictures and in the top center says: ?J. Oset? The chalkboard on the left says: ?Rogaska Slatina price per person 62 dinar Wed. 26th August at 2PM a trip to Topolscica price per person 35 dinar Sign up in the office.?
