

Adolf Foldes's Yahrzeit

This is a document which shows the days of the commemoration of my father-in-law, Adolf Foldes, who died in 1924. The commemoration is planned for 50 years. Andrei Foldes, my husband, was born in Arad in 1906, when Arad belonged to the Austro-Hungarian Empire. His parents were called Teresia and Adolf Foldes, but they died before I met him.
