

Tonci Berkovic With Cousin Kosen Goldman

This is a very nice photo. You can see my oldest sister Tonci Berkovic (nee Kleinmannova) and our cousin Kosen Goldman here. The photo was taken in Breznica in the 1930s. Kosen was born in Ladomirov in 1907. Before World War II he was a businessman. During the Holocaust he was taken to Auschwitz. My sister Tonci was born in 1910. She got married to a man called Berkovic and had three children. All of them were killed in Auschwitz in 1942.
