This is the birth certificate of my uncle Srul Dajbog, who was born in Kielce. The youngest of my father's siblings was Uncle Srul, born in 1907, who secured a university degree. I think that uncle Srul was really religious. There is a letter of him, adressed to the University, in which he is asking for changing of the date of an exam because of Jom Kippur. I remember, when my grandfather died, uncle Srul didn't go to the funeral. I think he didn't have money. But I remember him standing leaning and praying.
