

Pal Preisz With His Family

This is my uncle Pal Preisz with his wife Rozsi Erlik, nee Preisz, and their daughter Zsuzsa Preisz. He was the second-youngest brother of my father. This photo was taken in Jaszbereny in 1935. My uncle and his family lived in Jaszbereny and they were movers. They had two trucks and moved all kind of things with them. They had a bus as well. They were all taken to Auschwitz. They never came back.
