

## **Sorel And Camil Abramovici**

These are two cousins of mine. The picture was taken on 9th May 1941 in Bucharest at the Eduard Photo Cabinet. The elder is Sorel (on the right); he settled in Israel, worked as a doctor and is currently a retiree. In this picture, Sorel may have been 13, and Camil - 10-12. They were dressed fashionably, with shorts and long socks.
