

Gabor Kinszki's Brit Millah Certificate, Brother Of Judit Kinszki

The brit mila certificate of my brother. My brother Gabor was born in 1926. My father didn't want him to be circumcised, but my two uncles my two uncles were repulsed by that idea. My father signed a paper and got witnesses to sign that the circumcision would happen against his will. And later, when I took a detailed look at it, every signature was my father's. It was he who had signed it in many different ways. That's how offended he was by his son's circumcision.
