

The ID Of Wacek Kornblum's Wife Janina

This is the ID of my wife Janina Kornblum issued in 1944 by the Polish authorities - PKWN. She used to work there at the repatriation detachment. Burzyska was her false name she used during the German occupation.

Jasia, or Janina, maiden name Aneksztejn, was born in Warsaw in 1923. She was the only child in an assimilated family, her father worked in the American Embassy and was far from Judaism, like her mother Helena Aneksztejn, nee Finkelblech.

After the war I spent a long time in the health resort in Otwock, I was very sick with tuberculosis, in both lungs. They sent us to a dentist. And there was Mrs. Filipowicz, a dentist, also a Jew, who survived. And my future wife used to come to that dentist as well, a young woman, who also had sick lungs. Mrs Filipowicz set up our visits in such a way, that I used to meet my future wife there. We got married in 1950.
