

The Wedding Of Aron And Saly Solomovici

This is Aron Solomovici with his wife-to-be, Saly Solomovici. He was a more distant relative, the nephew of my aunt Dora Solomovici - my mother's sister -, from her husband's side of the family.

Aron Solomovici was born in Harlau. He was a few years older than me. They sent this photograph to my mother, Sura Ghebergher, because it says on its back: "To Saly Ghebergher's family in Botosani. We offer with love, Saly and Aron."
