

Iacob, Rebeca And Marim Haller

This is I, Marim Haller - to the right -, with my husband, Iacob Haller, and my husband's sister, Rebeca Haller - to the left.

My husband's name was Iacob Haller, he was from Siret. He was 1 year older than me, he was born in 1914. He graduated the Faculty of Natural Sciences in Cernauti. At the time when I met my husband, his parents weren't alive anymore. They were 2 siblings: his sister and him. His sister's name was Rebeca. She lived with my mother after I got married. And she left to Israel afterwards. She didn't marry.

We got married in 1946. We lived on Dragos Voda St. after we got married. That was our first house [home]. We paid rent. It was a large house, but we only had a room and an entrance hall, and our kitchen was in the courtyard. But our room was very nice, it measured 5 meters by 5. We had a dog when we lived on Dragos Voda St. And once it accompanied my husband to the high school and returned home all by itself. We moved here from Dragos Voda St., in a block of flats. We moved just after they finished building the blocks of flats. And we paid by installments and purchased the apartment. We never owned a home until we bought the apartment in a block of flats. Where could we get one?

My husband obtained a transfer from the high school in Dorohoi to the "A. T. Laurian" High School in Botosani, and it wasn't long before he became principal of the "A. T. Laurian" High School. He was principal for a few years. He wasn't a party member - nor was I. He taught biology. He was known to be a good teacher. He was on the board of examiners for the baccalaureate examination, he was a highly esteemed teacher. He worked at the "A. T. Laurian" High School until his retirement. He retired around 1972-1973. And he departed [died] in 1996 and that's that.
